

CRITICAL INFORMATION SUMMARY

INFORMATION ABOUT THE SERVICE

SERVICE DESCRIPTION and KEY INFORMATION

TMC Connect Hosted PBX is a combination of a Hosted PBX service and a Business Grade SIP Trunk. It delivers business PBX functionality and allows you to make and receive phone calls by connecting a pre-configured IP Phone to a suitable broadband internet service.

The **Monthly Access Fee** includes a Hosted PBX extension, a multi channel Business Grade SIP Trunk, an Australian phone number and access to the full range of Hosted PBX features and functions. Calls are Free between Hosted PBX extensions on the same account. Other calls, optional Value Added Services and any other equipment or services required to operate your service are charged in addition to your Monthly Access Fee. This service is not appropriate if you require an uninterrupted phone service with access to 000 emergency services and will not function in the event of a power failure.

HARDWARE and INSTALLATION REQUIREMENTS

The Hosted PBX service is only available to use with selected IP Phones. TMC Connect takes no responsibility for the configuration and functioning of IP Phones not supplied by the company. An internet service with minimum 100/100 Kbps per concurrent call is required to operate the service. Additional configuration of your network and routers may be required and is not included. The service may not be compatible with certain routers. Please contact our Customer Care Team to check hardware and network compatibility.
